26th May 2021

Dear parents,

School Snack and Dinner Money

Further to the Governments review and relaxation of some Covid-19 guidance and regulations, we will be reverting to our pre-pandemic system for the purchasing of snack after half term. To remind you and inform those parents who have joined us within the last 15 months: children will buy their own snack daily from the school canteen, on a pay-as-you-go basis. This gives children the opportunity to experience buying their own items - the exchanging of money for goods and being responsible for their own money, we believe, is an important part of a child's education. Snack will remain 30p an item and money should be brought to school in a washable purse or wallet with your child's name on.

There is one exception to the pre-pandemic system, in that we will continue to accept a half termly lump sum payment for snack. In this instance, your child will be issued with a debit card sized 'snack pass' which they can use as a 'card payment' to buy their snack. Half termly payments **MUST** be made on the 1st day of a new half term, with cash in a named and sealed envelope. The amount for the half term will be advised to parents in advance and will also be available on the Parent Zone/School Dinner page of our website. The amount for next half term is £9.30p.

School Dinner Price Increase

Due to a price increase from our catering supplier, from Monday 7th June, the price of a school dinner will be £2.45p per dinner. Payments should be made online via School Spider or by cheque made payable to CWAC.

If you have any questions, please do not hesitate to contact me.

Kind regards,

Miss Bettley
