### School Dinners

This week we are on School Dinners **Week 2.**

### School Attendance

**It is extremely important that pupils attend school regularly and that they are on time each day. As well as the children missing out on important starts to lessons, if pupils are constantly late, the families can also be faced with a fine. The school gate is open at 8:40am and will be closed promptly at 8:50am each morning. If you are dropping children off in Class 1 and take your child into their classroom, please walk through school and leave via the front entrance, to aid improved punctuality. Thank you for your assistance.**

### Before and After School Club

We are pleased to announce we have employed a new Breakfast Club and After School Club Play worker - Mrs Hand, which means that we can offer Breakfast Club at 7:45 each day again, and that we can extend the After School Club to 5:15pm each weekday. Can I please remind all parents that if you need to contact the Before or After School Club to use their direct number: **07565 536886.**

### Visions and Values day

On 3<sup>rd</sup> January, teaching staff and Governors attended a very successful Vision and Values day. We are currently writing a new Mission/Vision statement and I will let you know when it is ready to publish.

### School Uniform and lost property

There is now a shelving unit in the disabled toilet of the school entrance, with donated items for people to take, and a box where we will keep lost property. Please feel free to come in and check.
