"With God, all things are possible"
Matthew 19:26

Friday 13th September 2024

Dear Families,

It has been an excellent first full week returning to school for all of the children and we are all incredibly impressed with how well they have all settled into their classes and routines.

It was great to welcome parents into school this week for our 'Meet the Teacher' events. We hope you found the information useful and we will be sending out the PPTs for anyone unable to make it.

Have a restful and enjoyable weekend.

Best wishes,
Miss L Hill

Dear God,

Thank you for guiding us through this week of school. As we come to the end of these days of learning and growing, we are grateful for the new things we've discovered.

Help us to carry the lessons we've learned with us, both in our minds and in our hearts. May we remember to use our knowledge wisely and to be kind and supportive to those around us.

Thank you for your love and for being with us each day.

Amen.

| Friday 20th September | |

School Attendance

This week's whole school attendance is 94.4%

Our whole school target for attendance is 97%

Extra-Curricular Clubs

There are still some places available on the following clubs after school. Bookings are live on School Spider:

Monday - Masterpiece Makers / Craft

Tuesday - Choir

Thursday - Yoga / Book and a Biscuit

Y6 Phys Kids Training

Earlier this week, Year 6 worked with Mr Finney from Weaverham High School to learn about leadership skills and how to lead playground games.

The aim of Phys Kids is to introduce and develop leadership skills in Y6 children by training them up and getting them to organise activities for other children in the playground. They encourage children to join in games and to extend their friendships.

The children will continue with their training over the next couple of weeks!

THANKFULNESS

HOME SCHOOL VALUES

This term we will be focussing in school on the value THANKFULNESS. We hope your family will find these ideas helpful as you explore the value and have fun together.

TALK ABOUT THANKFULNESS TOGETHER...

'Count your blessings' is an old saying, but it reminds us to be **thankful** and not take things for granted.

As a family you may like to talk about

- Remembering to let other people know when you are **thankful**
- Not taking things for granted
- Practical ways of showing gratitude
- How it feels when someone **thanks** you!

THINK TOGETHER ABOUT WORDS OF WISDOM

"God gave you a gift of 86,400 seconds today.

Have you used one to say **thank** you?"

Anon

READ TOGETHER...

The Man Who Came Back

Jesus was travelling along the dusty roads towards Jerusalem. At each village he was welcomed by people, happy to see him and listen to his teaching. But today, as he entered the village he saw in the distance a small group standing apart from the crowd. They were calling out, "Jesus, Master, help us, please make us well." These poor people had a disease called leprosy. They were terribly ill and no-one in the village wanted to go near them.

But Jesus didn't ignore them. He stood among them and prayed for them. As each of them went on his way they began to notice that their whole bodies were healing up. They were so excited that they immediately rushed off to share their good news. Well, nine of them did. The tenth turned and fell on his knees in front of Jesus and **thanked** him for what he had done.

"I healed ten people with leprosy today", said Jesus to the man. "Where are the others?". But then he smiled "Well at least you came back to say **thank** you!".

Bible story based on Luke 17:11-19

"With God, all things are possible"
Matthew 19:26

Our Christian Values this year are:
 THANKFULNESS
 GENEROSITY
 FORGIVENESS
 JUSTICE AND PEACE
 PERSISTENCE
 SERVICE

Each value becomes the focus of our collective worship and a thread which permeates through all areas of our school life.

Y5/6 Computing - Our first coding lesson of the year. We coded a character to move.

KS2 Times Table Practise and Retrieval

Children in Willow and Acorns began their musical journey today for the year. They enjoyed a music lesson based on rhythm and pulse. They used their bodies to move to the beat and copied the creatures on the screen. They clapped and used their voices.
